

Art Deco Table Lamp - Metal Bowl, Marble Base And Opaline Glass Globe - 20th Century

650 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Description

A decorative 20th-century table lamp combining a dynamically sculpted metal bowl with a spherical opaline glass shade that diffuses a soft light. The piece rests on a cream and pink veined marble base, providing stability and elegance.

The stylized design of the animal figure and the combination of metal, marble, and opaline glass clearly embody the Art Deco aesthetic. Good overall condition, with minor signs of wear.

Dimensions: Base 30 × 10 cm - Total height 22 cm
