### Description

This remarkable coffee table, designed by Emilio Rey in the 1970s, perfectly illustrates the decorative spirit and craftsmanship of mid-20th-century Spanish design. Renowned for his dramatic interiors and artistic furniture, Rey developed a distinctive visual language characterized by dynamic metal structures and refined finishes. This piece features a gilt metal base in the form of an intricately braided rope, finished with large tassels--a bold and theatrical gesture that reflects the international trend of the time for sculptural and ornamental furniture. The undulating glass top provides a contemporary touch that balances the richness of the base. A true icon, this rare and highly sought-after piece has become a prized collector's item due to the limited distribution of Rey's designs and the
