# Adjustable Gilt Bronze Fireplace Screen, France, 19th Century

1 550 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

## Description

An elegant gilt bronze fireplace screen, made in France in the 19th century. This piece features classic decorative elements and a refined finish, characteristic of French craftsmanship of the period. The screen's width is adjustable, allowing it to be adapted to different fireplace sizes, making it both decorative and practical. An ideal accessory for traditional interiors or restored period fireplaces. Dimensions (adjustable): Height: 52 cm, Depth: 12 cm, Width: 120 cm (adjustable). Condition: Very good condition. Minor signs of wear consistent with age. Gilding well preserved.
