### Description

A substantial 158-piece flatware set from the Ercuis company, Art Deco style. Master silversmith: Maison Ercuis. Founded in the Oise region in 1867 and established on Rue Royale in Paris, where it remains today. The company flourished during the 20th century thanks to its luxury tableware. The centaur hallmark was introduced in 1886, and later the letters OE for "Orfèvrerie Ercuis" were added.
