Description

This 17th-century parchment painting depicts the Holy Family with the Baby Jesus. We note the expressive use of color with particular attention to detail, as we can see in the drapery of the clothes. These scenes, depicting the Virgin Mary, Saint Joseph, and the Baby Jesus, are recurrent in sacred art, which depicts them in moments of family intimacy or during the flight into Egypt. Measurements: height 12 cm, width 10 cm, depth 1 cm
