### Description

Antique Toy Case - School Kit / Miniature Writing Set - Late 19th / Early 20th Century. This charming antique toy case for a child dates from the late 19th or very early 20th century. Covered in embossed blue paper imitating morocco leather, highlighted with gold trim, it opens to reveal a richly furnished and decorated interior. The interior, lined with pink and blue paper, contains a complete set of miniature accessories evoking a real school or writing kit: glass inkwells, pen holders and nibs, blotting paper, a small working metal scale, a miniature globe, storage compartments, period documents, and chromolithographs (school notebook, children's picture books, illustrated notes). The whole is enhanced with lovely illustrations and lithographed decorations typical of late
