Description

Pair of Brutalist-style wall sconces in metal and Murano glass. A beautiful pair combining the raw, architectural feel of the worked silver-plated metal frames with the smooth, glossy finish of the partially colored glass. A generous size, 43 cm high, they will add a striking presence to a magnificent vintage or contemporary décor. These sconces were created by designer Albano Poli for Poliarte and are a true collector's item. Shipping available within France and worldwide via secure, insured package with order tracking. Invoice and certificate provided. Collection is also possible at Mas Avallrich, Montescot 66200 (Tel: +33 6 11 14 25 33) or at my stand at the Montpellier Cipolat flea market, held every two months on the market terrace.
