Description

Antique Toy Box - Miniature Carousel, JL Brand - Early 20th Century. A rare and charming antique children's toy, presented as a mechanical box containing a miniature carousel, dating from the late 19th or very early 20th century. This rectangular box, resting on small spherical feet, opens to reveal a circular carousel scene covered in green felt. The scenery includes painted horses, miniature figures, finely molded metal railings, and a central mast topped with a small tricolor flag. A metal cup in the center evokes the mechanisms or playful elements of toys from that era. The side panels also open, revealing decorated surfaces and play markings, reinforcing the toy's playful and educational aspect. The front bears a maker's plate marked "JL," confirming its origin. The piece displays an authentic patina,
