Description

A beautiful Chinese porcelain vase in blue on a white background. The decoration is known as the "Three Friends of Winter," featuring pine, bamboo, and plum blossoms. These three species are often grouped together as they are resistant to cold and represent perseverance, integrity, and endurance--three highly valued qualities in Chinese thought. Bat motifs adorn the entire vase, a symbol of both positivity and happiness. Banana leaves extend towards the neck, and stylized waves decorate the top of the neck. The vase is 31 cm tall. A blue Kangxi mark is located on the base.
