

Floral Composition In Relief, Lace In A Napoleon III Frame

450 EUR

Period : 19th century

Condition : Parfait état

Material : Laces

Width : 24,4 cm

Height : 29 cm

Description

A rare floral composition of raised lace in an elegant Napoleon III frame. This skillfully crafted floral lace composition consists of a branch from which seven flower corollas are attached, their volume reproduced. The lace is lightly tea-tinted and stands out against a burgundy velvet background. The antique frame is made of black-stained wood, and the oval protective glass is adorned with a decorative gilt frieze. There is a very slight scratch on the glass.
