Description

A very beautiful ceramic lamp from Accolay, dating from the 1960s or 70s. This large lamp is in excellent condition and comes with its original Brutalist brass and resin lampshade, also in excellent condition. Note the double lighting in the openwork base, which creates a beautiful diffusion of light. Similarly, the exquisite craftsmanship of the lampshade provides illumination through multiple openings. The ceramic lamp base is signed by the Accolay factory, from a village in the Yonne region, famous for its high-quality production in the mid-20th century. A truly beautiful collector's and decorative piece, and quite rare on the market. The base alone measures 40 cm in height and 26 cm in diameter.
