Description

A cigar cutter... Made from a 5-franc coin dated 1833... Solid silver... The coin is 900/1000 fine... The rest is 800/1000 fine... The blade and internal structure are chrome-plated steel... In good condition, with signs of wear, some dents... And a few scratches on the blade... Signed PUIFORCAT in full on the blade... Which folds inside the coin, cut in half...! And with the silversmith's hallmark on the coin... There is also a crab hallmark on the coin... From the 1920s... Weight... 44.53 grams
