Description

We present this pull toy with an articulated head and arms, operated by a rod system (see photos below). The head is made of porcelain, mold number 60, from the renowned SFBJ (Société Française de Bébés et Jouets), founded on March 14, 1899. Mold number 60 appeared in 1910, so our toy dates from that period. Everything on this toy is original; only the wig is missing. This toy represents a little farm girl going to market. Perfect condition. Weight: 302 grams. Shipping extra (EUR26).
