

Set Of Decorative Gilt Bronze Furniture Ornaments

590 EUR

Period : 20th century

Condition : Bon état

Material : Bronze

Description

A set of decorative gilt bronze mounts, comprising several ornamental elements in the classical style. The set consists of: Four decorative gilt bronze drops featuring female figures above foliage, probably intended for furniture, consoles, or paneling. Length 35 cm. Two symmetrical foliate motifs in gilt bronze. Length 14 cm. Three gilt bronze mascarons representing decorative faces, including a central female face framed by foliage and two bearded faces. Length 12.5/17 cm. Cast and gilt bronze, with wear and patina consistent with age and use. Visible perforations on the reverse or lower part indicate former attachment to furniture or decorative elements.
