Description

Oil on canvas by Luigi Moretti, born and died in Venice between 1884 and 1950. Inspired by Impressionism, the artist depicts landscapes that change with the play of light and shadow, where colors blend and overlap to create chromatic effects. Presented in a gilded frame, the work likely depicts a view of Lake Garda. In good overall condition, with two slight color losses; may require cleaning. Signed lower left, circa 1930.
