

Empire Clock In Gilded Bronze - Etienne Tavernier - Circa 1820 - Breget Movement?

1 500 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 25,5 cm

Height : 42,5 cm

Description

Beautiful Empire-style gilt bronze clock with its pendulum. The key is missing. The movement appears to be in good condition, but needs further inspection. The dial is damaged. The dial is signed by Etienne Tavernier. Etienne Tavernier (1756-1839) was a Parisian clockmaker who worked closely with Abraham-Louis Breguet. The letter B on the movement may stand for Breguet. Height: 42.5 cm Width: 25.5 cm
