Description

A classic and elegant 18th-century gilt bronze candlestick, decorated with sheaves of wheat, bunches of grapes, and the divine triangle, the stem adorned with foliage, and converted into a lamp in the 1960s. The gilding is in good condition; it is made from a thick sheet of chased bronze and is quite sturdy. The wiring, which dates from the 1960s, is functional but not guaranteed. A beautiful lampshade to match your decor would be perfect.
