

20th Century. Pair Of Mounted Canton Vases

380 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 11 cm

Height : 30 cm socle compris

Description

Canton porcelain vases were collected with fervor in the second half of the 19th century throughout the Western world, from the United States (where they are highly prized) to Russia. Produced in all sizes, we present here small models (28 cm) that were mounted in France on bronze bases to harmonize with the eclectic decor of the late 19th century. They are in perfect condition, without any damage.
