Description

Pair of small 800 silver lights from the mid-20th century.The lights are in excellent condition and fully functional. The classic workmanship, typical of the Empire period, features the chiseled decoration on the center and base of the lights. The side knob is beautifully crafted using lost-wax casting, and the lights are elegantly complemented by their period blown and sandblasted glass bowls.PERIOD: Mid-20th centuryDIMENSIONS: Lamp length 9 cm x height 14 cm. Total height of lights with bowls: 30 cm.CONDITION: Excellent condition, with some signs of age.
