world. Romeo Rega's creations are characterized by their high manufacturing quality, timeless elegance and remarkable functionality. In particular, he creates chrome and/or gold metal furniture, lighting, mirrors, coffee tables, consoles and sofas. The materials he uses are often noble, such as glass, stainless steel, leather or marble. Romeo Rega died in 2013, but his legacy continues to influence many designers around the world. His creations have been reissued several times and are today part of the permanent collections of the greatest modern art museums.
