Description

Venetian Walnut Chest of Drawers - Late 18th Century
Provenance: Padua, Veneto
Dimensions: 110 × 54 × 89 cm
Description: Refined Venetian chest of drawers from the late 18th century, crafted in solid walnut and entirely veneered in walnut. The piece features an elegant, flowing silhouette with shaped sides that lighten the structure and lend harmony to the overall design. The front is composed of three large drawers with fine reserve veneering, enhanced by original chased bronze handles and escutcheons. The slender, slightly curved legs reflect the taste of late Venetian Baroque furniture. The patina is authentic and well preserved, highlighting the quality of the wood and the finesse of craftsmanship. A chest of great charm, suitable for both classical and contemporary
