Description

Vintage menu dated 1925 for the artistic association Le Cornet, illustrated by Maurice Millière. A typical chromolithograph from the Roaring Twenties, depicting a nude woman in a top hat, in a Parisian cabaret style that is at once humorous, cheeky, and elegant. A rare glimpse into the festive and liberated atmosphere of the era. The entire document, image and text, is in very good condition, but the paper shows some creases, tears, and fragility along the edges. Please refer to the high-definition photos in the listing, front and back.
