Description

An antique candlestick from a place of worship, dedicated to Our Lady of Loreto, dating from the Louis XIV period, with its beautiful engravings on triangular base. Perhaps a triangular counter-base is missing, and over time, candlestick has been replaced by a bobèche and a candle holder, both antique. *Although a composite piece, the object is nonetheless interesting. 30 cm x 11 cm, weight: 1.4 kg. French work, early 18th century. Buy it now, payable by credit card or PayPal. - eclectic - We are not experts, but have been in the business for over 50 years.
