1 900 EUR

Period : 20th century

Condition : Très bon état

Material : Opale

Diameter : 30

Height : 105

Description

Timeless "Birillo" floor lamp designed by Carlo Nason for Mazzega. A magnificent floor lamp from the space age, featuring a white glass bulb-shaped shade and a yellow glass base. The entire lamp is made of Murano opaline glass with a chromed central section. It uses two bulbs, and each section can be illuminated individually. In very good condition. Italian design from the 1960s.
