

Tachi

7 000 EUR

Period : 16th century

Condition : Parfait état

Description

Muromachi period tachi with a mumei shirasaya blade attributed to Fuyuhiko. The blade has a Hozon certificate and is from the Soshu school. Its nagasa is 67 cm long. The hada is made of itame and the temper line is midare. The tachi-type hilt is Showa period, in perfect condition, and bears the kiri mon and mon of Tokugawa. The lacquer is gold nashiji. Additional photos available upon request.
