### Description

Oil on canvas. Original canvas. Signed lower right. The emotion of the sublime is more easily attained when, having pushed back the limits of our bodies and earthly reality, we contemplate the unfathomable horizon at the end of the ascent of an immense mountain. Without a doubt, God is hidden in the heavens, and on the summits, his presence is more certain than anywhere else. This exquisite view of the French Alps, dating from the 1930s, celebrates, through vibrant Impressionist brushstrokes, the visual and aesthetic excellence of these imposing landscapes. Image dimensions without frame: 61 x 40 cm / 72 x 50 cm with a custom frame.
