

## Two Bronze Cast Lamps - Late 19th Century

900 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 40

Height : 60

Depth : 25

### Description

Italian elegance and fine decorative craftsmanship. These refined late 19th-century lamps are crafted in lost-wax cast bronze, featuring delicate floral motifs that highlight exceptional Italian craftsmanship. They rest on a solid ebonized wooden base and are completed with silk fabric lampshades with a "Provence" pattern, creating a warm and inviting light. Measurements: total height 60 cm, shades h. 30 cm, 40x25 cm. Made in Italy in the late 1800s, they are in excellent overall condition. Available also for individual purchase. Worldwide shipping via FedEx - UPS - DHL with professional packing and insurance. European shipping upon agreement. Payment by bank transfer, Visa, Mastercard.
