Description

Set of four vintage Italian chairs produced by CIDUE (elementi d'arredo), Made in Italy. The seat and back are upholstered in yellow leather, with a comfortable, enveloping design, resting on a white lacquered metal base with tubular lines. The leather shows some even cracks and creases from use, characteristic of aged leather. The frame is stable and sound. A set with strong character, typical of Italian design from the 1970s and 80s, perfect around a dining table or as occasional chairs. Seat height: 46 cm
