Brass Candlestick - 18th Century

175 EUR

Period : 19th century

Condition : Parfait état

Material : Brass

Height : 34 cm

Description

13th-century brass candlestick converted into a bedside lamp. Polished brass. Socket mounted on an expandable cap; the electrical wiring is new and meets current standards. The lampshade is handmade; other models are available in your choice of fabrics. The lampshades can be raised by candles of 2, 3, 5, or 8 cm as needed. The electrically mounted candlestick can be sold separately for EUR120. Height of candlestick alone: 19 cm; total height: 34 cm. Please specify your preferred lampshade and candle height. I can send you photos of your choices. Do not hesitate to contact me for any further information.
