Description

18th-century brass candlestick converted into a bedside lamp. Polished brass candlestick with a pierced socket. Socket mounted on an expandable cap, the electrical wire is new and meets current standards. The lampshade is handmade; other models are available in fabrics of your choice. The lampshades can be raised by candles of 2, 3, 5, or 8 cm if needed. The electrically mounted candlestick can be sold separately for EUR120. Height of candlestick alone: 20 cm; total height: 35 cm. The conical lampshades can be replaced with more modern, straight shapes. Please specify your preferred lampshade and candle height. I can send you photos of your choices.
