

## Young Woman With Fruit, 19th-century Porcelain, Sitzendorf Factory

850 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

### Description

Superb porcelain from the Sitzendorf factory (Germany, Thuringia), depicting a young girl holding various fruits in her hat. The painting is very fine and the piece is in perfect condition except for a small chip on the stem of the fruit she is holding. It measures 22 cm in height. The mark underneath, as well as the precision of the fruit depicted, suggests that this is likely a model by Johann Joachim Kändler (1706-1775).
