Description

Decorative Porcelain Plate - Polychrome Asian Design - Floral and Landscape Motifs. This beautiful porcelain plate is finely hand-decorated, featuring a charming Asian design composed of flowers, branches, a pavilion, a stylized landscape, and naturalistic elements. The palette is rich and harmonious, dominated by deep greens, pinks, yellows, and blues, with a lovely floral border on the rim. The decoration is delicate and highly decorative, typical of 20th-century Chinese or Japanese-inspired pieces. Ideal for wall decoration, display, or to complement a collection of Asian porcelain. Condition: Good overall condition. Diameter: 22 cm
