Diameter : 80

Height : 100

### Description

This extraordinary design chandelier, created in 1970 based on a project by Gaetano Sciolari, represents one of the most refined expressions of Italian lighting from the second half of the 20th century. An iconic piece that combines sculptural aesthetics, high-quality materials, and strong decorative impact--perfect for those seeking a statement object. The chandelier is crafted in Murano lattimo glass, featuring a striking double radial arrangement of white opaline glass rods that softly and elegantly diffuse the light. The brass-finished metal structure provides both solidity and refinement, creating a perfect balance between transparency and warm materials. The six internal lights ensure a dramatic and enveloping illumination, ideal for living rooms, reception areas, or refined
