### Description

A very beautiful oil on canvas in its original condition! From the early 17th century, probably from South America. It depicts a religious scene with Jesus Christ. Annotations in the lower left corner need to be identified. The painting is of high quality, with a naive style that perfectly reflects the period of the work! The canvas needs restoration! Some losses are present. Sold as is! Large format: 1.10 m x 90 cm. A visually superb antique painting!
