Description

Superb solid teak ice bucket, produced by DANSK Designs (Denmark) and designed by Jens Harald Quistgaard, a major figure in 20th century Scandinavian design. An iconic model with a clean and organic design, featuring an elegant conical shape and an integrated bentwood handle. The interior is meticulously crafted, reflecting the high quality of workmanship characteristic of DANSK products from the 1960s. The teak boasts a warm, even patina with a rich, deep grain, typical of Scandinavian designs from this period. The base is branded "DANSK Designs - Denmark" with the Quistgaard monogram, guaranteeing the piece's authenticity. A functional and decorative object, highly sought after by vintage design enthusiasts and collectors of Jens Quistgaard's work. Period:
