Portrait Of An 18th-century Woman

490 EUR

Period : 18th century

Condition : Bon état

Material : Oil painting

Width : 36,6

Height : 50,7

Description

Portrait of a woman in antique costume, painted on canvas, probably a facial study for a larger portrait by a painter in the series of mythological portraits by Jean-Marc Nattier. The painting is on its canvas, framed in a 19th-century giltwood and stucco frame. Unframed, the painting measures 37 x 22.5 cm.
