Description

Pair of wall lamps by Ottavio Missoni Rare chalcedony Murano glass wall lamps. Produced for the Missoni home collection in the 1980s. The unique color palette and design are synonymous with the Missoni style. After a brilliant career as a sprinter, Ottavio Missoni founded Missoni in the 1960s with his wife. The wall lamps are in excellent condition and fully functional. They use halogen bulbs that can easily be replaced with modern LED bulbs.
