Six books of Épinal prints. "40 Selected Stories," "20 Selected Tales," "Fairy Tales," "La Fontaine's Fables," "Selected Tales from the Épinal Prints," "Épinal Images." The designs, binding, printing, and theme are authentic and rare. The images are presented in various styles: illustration, framing, comic strips, caricatures, and genre scenes. The stories, tales, fables, and songs are typical of the period and have aged remarkably well, as has the unbleached, yellowed paper. The coloring was done successively using a printing process.
