

Academy Of Man On A Rock 19th Century

1 950 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting

Description

Oil on canvas depicting a seated man on a rock, a 19th-century work. He is shown in profile, holding a seashell in his hand. A fine piece with some areas sketched in. The rocks are painted in oil wash, lending a certain poetic quality to the painting; perhaps a preparatory study. This high-quality work is presented unframed, in good condition, with its original canvas and keyed stretcher, a testament to its quality.
