Description

A very attractive Art Nouveau style screen. The solid walnut wood frames are beautifully carved with a lively and energetic technique and a lovely patina. The tapestry, depicting a landscape, is also in excellent condition and features a striking contrast that enhances this rare and beautiful piece of furniture. While the screen is of modest size, it possesses a powerful presence. Collection is possible from Mas d'Avalrich, Montéscot 66200 (Tel: 0611142533) or from my stand at the Montpellier Cipolat flea market, held every two months. Invoice and certificate of authenticity provided.
