Description

A very beautiful large oval medallion portrait, oil on varnished, convex wood, vintage 1960s-70s in the antique Venetian style, handcrafted, hand-painted, Italy/Venice. The integrated frame has raised edges, gilded with gold leaf. At its center is a convex portrait of an elegant young woman in a long white and blue dress, wearing a fur coat and some pearl jewelry, set against an interior background with a curtain, a corner of a wall, and a terrace opening onto a blue sky and a tree. 46cm high by 36.5cm wide, quite rare in this size, approximately 10cm thick at its thickest point. In very good overall condition, there is some wear, such as a discreet crack at the top of the frame and a few scratches, notably along the arm holding the dress, also discreet.

Approximately 1kg.
