### Description

Superb large table lamp, sold without a lampshade, vintage 1960s-1970s in cream/ivory crackled earthenware, enhanced with large gilt areas. Made in Italy (inscription on the switch), marketed in France by Laurie Lumière. The base is imposing, with a beautiful baluster shape and a square cross-section with rounded corners.

Approximately 36cm in total height including the socket, 26cm for the base alone and 17.5cm wide. Very good overall condition, clean gilds with only slight, very discreet wear on the top. The label on the socket is slightly detached. The lamp is in working order, sold without a lampshade.

Approximately 800-900g.
