Vulcano Lamp

830 EUR

Signature : Maof design

Period : 20th century

Condition : Bon état

Material : Metal

Width : 0,38

Height : 0,82

Description

The Vulcano lamp, dating from the 1960s, was designed by Maof, a Spanish industrial design firm. It features a hemispherical alabaster base with a double power switch: one to illuminate the upper section with five light points covered by white opaline globes, and an internal light point that creates the volcano effect.
