Description

This elegant antique French fireplace is a rare example of the Louis XV style, characterized by its soft, curved lines and refined carved ornamentation. The central cartouche and flowing side scrolls create a graceful movement typical of 18th-century French design. Its warm chestnut hue and delicate patina lend it a subtle depth that harmonizes equally well with classic and contemporary interiors. Carefully cleaned and consolidated by our workshop, it retains its original hand-carved details and the natural character of its surface.https://www.de-opkamer.com/fireplaces/antique-fireplace/antique-fireplaces/antique-fireplace-chestnut-wood-1567
