Description

Ceramic/Burglaze Grape Bowl - Grape and Leaf Motif. Superb set of a dish and grape bowl in glazed ceramic, adorned with a magnificent relief decoration depicting vine leaves and bunches of grapes. The trompe-l'oeil work is very realistic, with deep green hues and meticulous details. One of the dishes is openwork (colander type), the other solid, making this duo both decorative and functional. Ideal for a charming kitchen, a rustic chic table, or country house decor. Dimensions: see photos (H8 W26 D26 and H4 W27 D27). Condition: very good overall condition. Material: glazed ceramic. Style: natural, rustic, vintage. Perfect for a collection, wall decoration, or as original serving pieces.
