Description

Elegant and slender, these two copper candlesticks are remarkable. Each rests on four small feet, has an openwork base, and a very refined top. Almost all the feet are hallmarked, one of them bearing a more elaborate mark/number. The set is in good condition, but one of the candlesticks has slight damage to the openwork, at two of the four corners. Dimensions: Length: 27.4 cm Base (including feet): 11 x 11 cm Please feel free to contact me with any questions. Thank you for your visit. Sincerely, Ben
