Description

Valentin Blinov (born in Russia in 1944) Souvenir of Paris - Boulevard Montmartre November 1994 Mixed media on card, signed and dated November 1994 lower right, signed Valentin to the right. A lively nighttime view of Boulevard Montmartre, one of Paris's grand boulevards, recognizable by its Haussmannian architecture, corner buildings, and vibrant urban atmosphere. The artist captures the Parisian effervescence through an energetic use of line and color, blending vibrant brushstrokes, sketched silhouettes, and plays of light in a free and expressive style. Dimensions of the work (unframed): 36 × 33.5 cm Dimensions with frame: 53 × 51 cm Frame with a white mat showing a few small stains on the inside; the work itself is in very good condition, without any

visible stains or damage. Dated, located, and signed work, typical of the Parisian views created by Valentin Blinov in the 1990s, a period during which he focused on representing Paris and its main thoroughfares with a sensitive and spontaneous approach. Additional useful information (to be attached to the description if desired): Subject precisely identified: Boulevard Montmartre, Paris. Work located, dated, and signed. Mixed media offering rich texture and a luminous palette. Ready to hang.
