

Petie Kunik Miniature Camera, C.1950, Instruction Manual, Original Case And Box

150 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Description

The Petie Kunik is a miniature camera manufactured by Walter Kunik in West Germany (Frankfurt) in the 1950s. Designed to use 16mm film, it produces 14x14mm images. Appreciated for its discreetness and aesthetics, it reflects the post-war trend for miniature cameras, inspired by Japanese "Hit-type" models. Sold with instruction manual, case, and original box.
