

Life-size Terracotta Statue Of The Goddess Ceres, Vienna, Late 19th Century

12 000 EUR

Period : 19th century

Condition : Très bon état

Material : Terracotta

Width : 75

Height : 178

Depth : 45

Description

A life-size terracotta statue of the Roman goddess Ceres. The attribute she originally held in her left hand, a sheaf of wheat, is now missing. The surface has been carefully cleaned and the sculpture restored in places. Published in: Pattern Book of the Inzersdorf Earthenware Factory of the Wienerberger Brickworks and Construction Company, Vienna, dated 1879, plate 244.
