Description

A sterling silver (800/1000) necklace in three sections, featuring gently curved foliate motifs entirely pavé-set with faceted natural marcasites. A natural white cultured pearl is set in the center. It hangs on a herringbone chain with a spring ring clasp. Likely German work, circa 1930-40. Gross weight: 9.1 grams. Length: 40 cm. Width: the same as the three sections. Good condition with a patina consistent with age. All taxes and customs duties for international shipments are the responsibility of the buyer.
